

Application Ser. No. 10/644,704

Remarks

Claims 1, 42-68, and 70-81, are 89 are pending. Claims 1, 42-68 and 70-81 have been allowed. Please cancel claims 91-93. Applicants request that claims 89 be amended.

Applicants express thanks for the Examiner's thoughtful Advisory Action.

All the pending claims except claims 89 and 91-93 were allowed. Claims 89 and 91-92 were rejected, but claim 93 was objected to as being allowable if re-written in independent form to include the limitations of its base claim and any intervening claims.

Applicants act in accordance with the Examiner's suggestion. Rather than amending claim 93, the limitations of claim 93 and intervening claims 91 and 92 have been imported into the base claim, claim 89. Claim 89, as amended, accordingly is believed to be allowable.

No further examination is necessary. The amendment of claim 89 places it in condition for allowance. Allowance of the claims, as amended, is respectfully solicited. If the Examiner has any suggestions regarding this application, he is invited to call the undersigned.

Respectfully submitted,
